

NOTICE OF PUBLIC CONSULTATION CENTRE CLASS ENVIRONMENTAL ASSESSMENT FOR THE REPLACEMENT OF JOE ALLORE BRIDGE

The Municipality of Tweed is undertaking a Municipal Class Environmental Assessment for the replacement of the Joe Allore Bridge, located on Allore Road, approximately 0.2km west of the Otter Creek Road. The existing bridge is a single lane, single span pony truss with concrete abutments founded on bedrock. The project is a priority for the Municipality due to the deteriorating state of the structure and the need to construct a two lane bridge at this location.

The project is being initiated in accordance with the latest edition of the Municipal Class Environmental Assessment Manual issued by the Municipal Engineers Association. The Municipal Class Environmental Assessment process applies to municipal infrastructure projects including road and bridge works. This project is being planned as a Schedule 'B' undertaking.

A Public Consultation Centre is being held to provide information on the alternative solutions, and to receive input and comments from interested persons. Public comments are encouraged.

PUBLIC CONSULTATION

Date: Tuesday, November 1, 2022
Time: 4:00 pm to 6:00 pm
Location: Tweed Lions Club
63 Victoria Street North, Tweed ON, K0K 3J0

The Public Consultation Centre will consist of a drop-in type format with displays showing the evaluation of alternatives. Staff from the Municipality and the project lead consultant will be on hand to answer any questions.

All information/comments received will be subject to the disclosure requirements of the Freedom of Information and Protection of Privacy Act. R.S.O. 1990. With the exception of personal information, all comments will become part of the public record. We welcome any suggestions you may have about this project.

Subject to comments received and the receipt of necessary approvals, the Municipality intends to proceed with the planning, design, and construction of this project. If you are interested in receiving further information on this project, please contact the following individuals:
